

LASEC® BRANDED GLASSWARE

Lasec®, being the **proud partner of the Glassco range in South Africa as well as Sub-Saharan Africa**, has **launched something new**. We would like to introduce our **co-branded Glassware range**. We have put our name onto a product we trust.

As a world-renowned manufacturer of borosilicate laboratory consumables, Glassco is recognised for superior, innovative, and affordable glassware.

Beakers: 50ml - 2000ml

- Short and tall form beakers
- Uniform wall thickness
- Borosilicate 3.3 glassware
- White graduations
- With spout

Erlenmeyer Flasks: 50ml - 200ml

- Wide or narrow neck conical flasks
